

Additionally, both campuses have been given an Imagine "Make-over." We're quite literally keeping the images of people of all walks of life who are in our communities and far from God in front of us. Imagine: Changing lives forever.

Most recently, we held 10 *Spotlight Events* at the Vacaville campus the week following Easter. Those who attended were taken back by the ambience and feel of the sanctuary, as hundreds of blank faces in the "crowd" could be seen. But we know that a crowd is made up of individuals, families, lives - many of which are being touched in dramatic ways by God's moving through our church. That's what almost 1,000 people got to encounter in the Spotlight Events. Additionally, Pastor Dave shared more of his vision, personally, for what God is going to do through us. We were also honored to have Rob Hopper, Executive Pastor at Water of Life with us, as he shared from his wealth of experience in helping churches just like us expand in order to reach those far from God in our community. Everyone in attendance received materials and practical strategies to help them figure out the practical ways they will jump in and participate in this amazing vision. The vision, faith, and significance of these events were powerful.

Finally, check out the Imagine website: [imagine.tfh.org](http://imagine.tfh.org). On the website, you'll see video testimonies from the series, video testimonies that were shown at the Spotlight Events, artist drawings of the new TFH property, and much more!

THEFATHER'SHOUSE

MAY 2011

What an exciting time we're in as a church family!

We're right in the middle of the exciting Imagine series, and everywhere you go, the vision of Imagine can be found:  
Changing lives forever.

THEFATHER'SHOUSE

At both the Vacaville and Napa campuses, the Imagine series has been a powerful time of vision as Pastor Dave has been leading the way into this significant season of our church.

What a powerful site to see people coming forward and dropping prayer cards in the clear boxes, representing hundreds (if not thousands) of people we're believing and praying will come to know Christ. This is the reason we're doing all that we are, as a church. With 6001 people in attendance on Easter weekend, it's apparent that *we need to make more room for thousands who are far from Christ to come to know Him here through our local church.*

Don't miss a weekend in May... historic times for our church

Our hearts, as the pastors and leaders of The Father's House, is that we'd see **100% Participation** among those who call The Father's House "Home."

God's heart is for those who are far from Him, and so too should ours. That's why we're believing that 100% of our church family will join us in prayer, willingness, and careful consideration of what God wants to do through each of us to reach our spiritual and financial goals during the Imagine campaign. Psalm 133 tells us that "When the brethren dwell together in unity... God *commands* a blessing." We believe that if 100% of our church commits to the vision of Imagine, we will see the commanded blessing of the Lord in a way that we've never seen before!

We are believing for **100% Participation**

## Commitment Weekend is Coming!

In Vacaville, Commitment Weekend is May 14/15, and Napa's is May 22. This is the moment - the moment that all the prayer, planning, strategy, discussion, and preparation culminates as our entire church determines and turns in their financial commitment cards for the 3-year Imagine campaign. We hope you make time to really walk through this process - individually, with your spouse, or with your family. Remember, we're asking everyone to do four things:

**PRAY:** "God, What do You want to do through *ME*?"

**BE WILLING:** Be willing to go through the process

**SACRIFICE:** Sacrificial giving is something we can *ALL* do. Remember, we're not looking for equal giving, but equal sacrifice

**BE OBEDIENT:** Be obedient to what God asks you to do

We encourage you to spend time going through the "Commitment Guide" section of your Journey Guide to help you arrive at what God would have you commit to the Imagine campaign.

Pastor Dave preaching:  
Changing lives through Vision

## Celebration Weekend/First Gift Weekend

May 28/29 at both campuses! This weekend will be awe-inspiring, as we make the announcement of the total amount of commitments made by our church to the Imagine campaign. We're believing that it's going to be a party! During the services this weekend, *we're going to receive a First Gift toward the Imagine campaign.* We encourage you to *bring your first and best offering* toward fulfilling your commitment. Many already are talking about the idea of bringing 10% of their commitment, but we know that everyone's ability to give may not be the same. Some may have the cash-flow to enable them to give big in that way, others may not. Whatever your situation is, we encourage you in the next several weeks to plan and prepare to bring your First Gift, *above and in addition to your normal tithe/offering.*

On Celebration Weekend we will bring our First Gifts... our first and best towards the Imagine campaign

Thanks for going on this journey together with us as The Father's House family.

Thanks for going on this journey together with us as The Father's House family. We can't do it without you, and are looking forward to all God will do in and through us in this exciting season. One thing is for sure: Nothing God does of significance is ever easy, and the Imagine campaign will be no exception to that. However, once we've participated in the sacrificial giving, hard work, and consistent realignment to the vision, *we will participate in a move of God our region has never seen that will result in hundreds and thousands of people far from God experiencing His presence, power, and goodness through our local church.*

Mark your calendar for important dates coming up in the Imagine Campaign:

Commitment Weekends:  
May 14/15 (VV), May 22 (N)  
Celebration Announcement & "First Gift" Offering:  
May 28/29
