It's hard to believe, but this May marks the one-year anniversary of our Imagine campaign, and what a journey it has been!

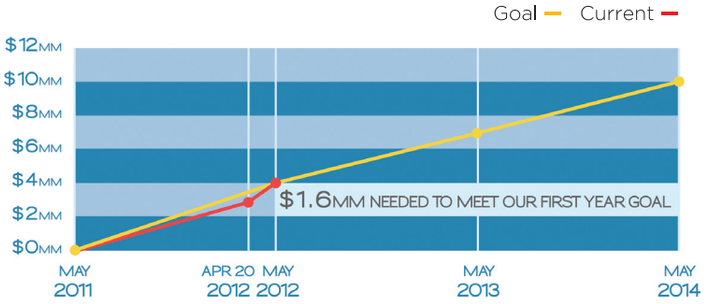
CHANGING LIVES FOREVER

SPRING 2012

3 Year Giving Goal

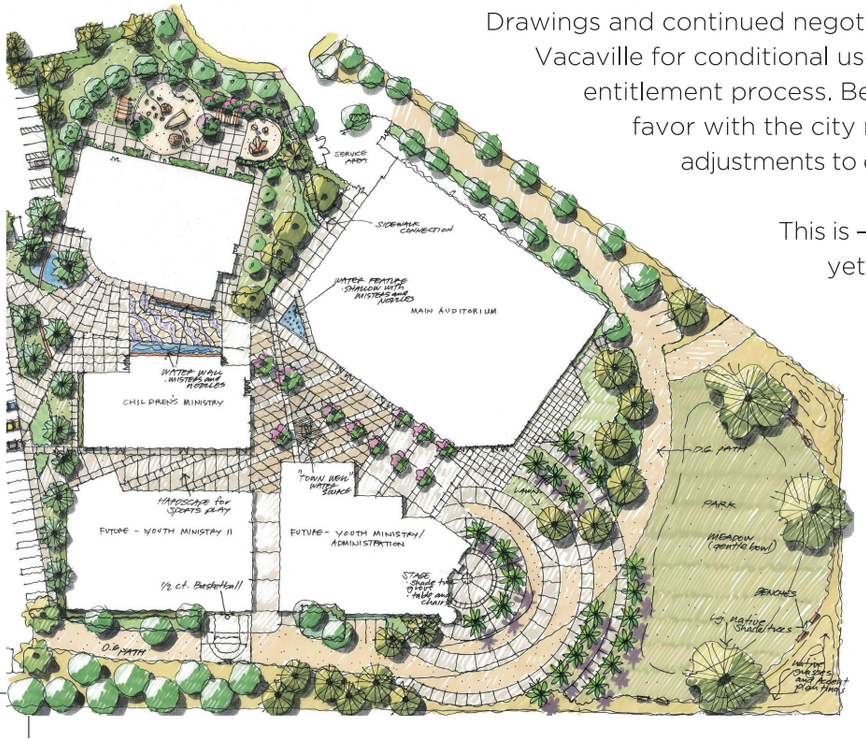
To date we have raised $2.37M of our $11.3M commitments that were pledged over the 3-year campaign. We're thanking God for the generosity of His people! In order to reach our goals for ground-breaking and other aspects of the project, we're believing and praying for significant giving in the month of May, to allow our total first-year giving to reach $4M.



We encourage you to pray over your family and businesses (and all those who have made commitments) along with our pastors in these ways:

1. **Great faith to move forward, and freedom from fear that causes us to draw back**
2. **New contracts and customers at an unprecedented rate**
3. **Amazing sales, records broken, and current potential deals to be completed**
4. **Prosperity for your business**
5. **Strong marriages and healthy relationships in the family (without this, it all falls apart)**
6. **More of a heart for the kingdom than ever before!**

On April 17th our pastors met with design firm, Visioneering, to celebrate the completion of the Design Development phase.



The month of May kicks off the development of Construction Drawings and continued negotiations with the City of Vacaville for conditional use permits and the entitlement process. Be praying with us for favor with the city resulting in limited adjustments to our plans as they reach the Planning Department.

This is – and will continue to be – an exciting, challenging, yet eternally-rewarding journey that we're on as a church. All of the time, effort, prayer, and giving, will result in thousands of lives changed forever as those far from God experience His love in this new facility. We're grateful that you're on this journey with us.
