

## John Bevere

### **USING THIS SERMON DISCUSSION GUIDE**

We have provided all the Scriptures referenced in the sermon and some discussion questions for you to use to facilitate a discussion.

This Sermon Discussion Guide is only a tool to aid you in meeting the needs of your group. For most groups, there are too many questions to answer in one session together.

While the questions are important, remember your small group's goal is not to pound through the questions but to create an atmosphere that will foster true friendships, so knock yourself out with the discussion questions but spend more time laughing than answering the questions.

**If you read history you will find that the Christians who did most for the present world were precisely those who thought most of the next. It is since Christians have largely ceased to think of the other world that they have become so ineffective in this.**

*Not laying again the foundation of... eternal judgments (decisions).*

## **DISCUSSION QUESTIONS**

- 1. Have you ever received a "participation" reward? Have you ever received a reward for doing something above and beyond? Which reward gave you the most satisfaction?**
- 2. You will never "perform" your way into God's love neither can you do something that will cause Him to stop loving you, however you are in charge of whether or not He is pleased with you. What pleases God's heart? What have you done or what could you do this week that God would be pleased with?**
- 3. When you think about spending eternity in heaven with God, what do you imagine you will be doing?**
- 4. What are the things we build that would be considered "wood hay and straw"? What would be considered gold, silver and costly stones?**
- 5. What are you "called" to do? How is what you are doing compare to what you are "called" to do?**
- 6. Spend some time praying for each other that God would make clear the call of God on your lives.**
