

WHY DO WE GO?

In 1999, the El Niño community in Tijuana began because of heavy storms and flooding. The Mexican government bussed people that lost their homes into that area and gave them a small piece of property to start the community. Since then, thousands of Refugees find open land and build with recycled garage doors, wood, or cardboard to make shacks. Since 2000, Kingdom Builders Ministry (KBM) has built over 54 churches & over 750 homes surrounding Tijuana. TFH has been able to come alongside and support them in carrying out their vision to reach more families!

~ \$1,410 per person
*subject to change based
on final team size*

This covers travel,
lodging + main meals
during the trip.

Passport is REQUIRED

APPLY

\$50 Deposit

This is **non-refundable** & will go
towards your overall
trip cost.

**Apply online by
10/26/25**

OUR RESPONSE

By joining this team, you'll have the opportunity to serve and partner with Kingdom Builders Ministry—to support their efforts by building a home and ministering to their community, providing both spiritual and practical assistance to those in need. As a team, we will collectively raise an additional \$3,500 to cover the expenses for the home build project.
