

TIJUANA, MEXICO

JUNE 18 – 24, 2024

WHY TIJUANA, MEXICO & KBM? In 1999, the El Niño community in Tijuana began because of heavy storms and flooding. The Mexican government bussed people that lost their homes into that area and gave them a small piece of property and a dwelling to start the community. Since then, thousands of Refugees find open land and build with recycled garage doors, wood, or cardboard to make shacks. Since 2000, Kingdom Builders Ministry has built 43 churches & over 700 homes surrounding Tijuana. Most of these families aren't able to afford to send their kids to school past the 6 th grade. Kingdom Builders Ministry has also started a sponsorship program that provides for over 1000 kids in their community to get them through schooling.		ABOUT Religion: 80% Roman Catholicism Language: Spanish Population: 130 million
OUR RESPONSE By partnering with Kingdom Builders Ministry, we get to assist them on this short-term trip by building a life-giving church as well as ministering to the children and people in their community offering both spiritual & physical aid to that in need.		COST \$1,120 per person This covers travel, lodging, & main meals during the trip
