Surely the righteous will never be shaken, they will be remembered forever. They will have no fear of bad news. Their hearts are steadfast, trusting in the Lord. Their hearts are secure they will have no fear. In the end, they will look in triumph on their foes. 
Psalm 112:6-7

“A scared world needs a fearless church”. – A.W. Tozer

[Hebrews 12:26-28]
At that time his voice shook the earth, but now he has promised, “Once more I will shake not only the earth but also the heavens.”
The words “once more” indicate the removing of what can be shaken—that is, created things—so that what cannot be shaken may remain.

Therefore, since we are receiving a kingdom that cannot be shaken, let us be thankful, and so worship God acceptably with reverence and awe,
In our time, this global shaking is unprecedented, and no one is exempt.

The shaking produces something in everyone. What will it reveal or produce in you?

1. During the shaking, what’s in you is tested and revealed.

2. During the shaking, your foundation (what your life is built on) is tested and revealed.

[Proverbs 18:11, NLT]
The rich think of their wealth as a strong defense; they imagine it to be a high wall of safety.

3. During the shaking, who you walk with will determine how well you navigate your future.

God will remove the temporary so that the eternal will remain.

[Hebrews 10:25, NLT]
And let us not neglect our meeting together, as some people do, but encourage one another, especially now that the day of his return is drawing near.

How to Live an Unshakable Life:

1. Return to the place of fervent and consistent prayer / Make the Lord your refuge everyday (Psalm 91)
2. Stay connected to spiritual leadership and follow us as we follow Christ through this storm

3. Get in / stay in a small group

4. Limit your intake of bad news and feed your faith (this is enables us to keep things in perspective)

5. Stay in communication with us, via app, website, email list and your small group leader.

[Hebrews 12:28-29, NIV]
Therefore, since we are receiving a kingdom that cannot be shaken, let us be thankful, and so worship God acceptably with reverence and awe, for our “God is a consuming fire.”
