

## Mother's Day Message

5.12.19

Key text:

### 2 Timothy 1:5

*I remember your genuine faith, for you share the faith that first filled your grandmother Lois and your mother, Eunice. And I know that same faith continues strong in you.*

### TALK IT THROUGH

1. What life lesson(s) have you learned from your mom (or a significant female mom figure)?
2. Why is it important to have a day to honor mothers?
3. Genesis 1:27 says: *God created man in His own **image**, in the **image** of God He created him; male and female He created them.*

Considering we are all made in God's image, what characteristics of God are (typically) made more visible through women? Discuss some characteristics generally associated with women and connect how these help us understand the heart of God.

4. Who has been the most inspiring woman in your life? Who is the most hilarious? Who is the most nurturing?
5. God has given each of us an area of influence, often more than one. What are your areas of influence? How is/can God use you for good and his Kingdom purposes in those areas?
