## Pastor Tosha Zwanziger Naturally Supernatural Part 4: A Greater Hunger for God

### USING THIS SERMON DISCUSSION GUIDE

We have provided all the Scriptures referenced in the sermon and some discussion questions for you to use to facilitate a discussion.

This Sermon Discussion Guide is only a tool to aid you in meeting the needs of your group. For most groups, there are too many questions to answer in one session together.

While the questions are important, remember your small group's goal is not to pound through the questions but to create an atmosphere that will foster true friendships, so knock yourself out with the discussion questions but spend more time laughing than answering the questions.

### **A greater hunger for God will open the door to the supernatural**

[Matt 5:6 AMP]

*"Blessed... are those who hunger and thirst for righteousness (uprightness and right standing with God), for they shall be completely satisfied!"*

[Luke 7:36-39 NIV]

*"When one of the Pharisees invited Jesus to have dinner with him, he went to the Pharisee's house and reclined at the table. A woman in that town who lived a sinful life learned that Jesus was eating at the Pharisee's house, so she came there with an alabaster jar of perfume. As she stood behind him at his feet weeping, she began to wet his feet with her tears. Then she wiped them with her hair,*

*kissed them and poured perfume on them. When the Pharisee who had invited him saw this, he said to himself, "If this man were a prophet, he would know who is touching him and what kind of woman she is—that she is a sinner.""*

**1. Hunger comes from an encounter with Jesus.**

[Psalm 34:8 NIV]

*"Taste and see that the Lord is good; blessed is the one who takes refuge in him."*

**2. Hunger breaks through limitations.**

**3. Hunger affects more than just you.**

## **DISCUSSION QUESTIONS**

1. What is it like when your really really hungry?
2. Have you had an encounter with God that produced a hunger in you? What did this hunger produce in you?
3. What limitations have you encountered when you come to worship God? What does the enemy use to try and limit you from pursuing Gods presence?
4. Is your hunger for God a result of seeing someone else's hunger? Who's life will be impacted by your hunger for God? How can we display this hunger to those around us?
5. Your worship has a fragrance that effects atmospheres, spend some time lifting up the name of Jesus and raise the level of the Holy Spirit in the house.
6. Homework: As you leave the group to go home, decide with your family when you will worship God at your home and turn your family room into an altar of praise to the one who gave His all to rescue us.
